Walter Doroh Passed Away

HAD BEEN AN INVALID FOR 12 YEARS

Although Walter Doroh had been an invalid for 12 years, and it was seldom that he was able to leave his bed during that time, yet it was hard for people of this community to believe that the young man had passed away Monday morning. Even some of his closest friends were unaware that for a couple of days previous to his passing he had been in a precarious condition. He passed away at 5:00 a. m. He was 38 years old.

Walter, in the bloom of youth, was stricken with paralysis on May 13, 1926 and never from that day was able to walk. He was employed as postal clerk in the Grayling Post office at the time, and he was taken far and wide for medical attention by his family, but their efforts proved useless. All through these years however his life was made as cheerful as possible and one never went there but that he had a bright smile and cheery handshake and word, taking his affliction as matter-of-fact and with much patience. To his wife beautiful tribute is due for she administered to his every want with kindness and faithfulness and untiring patience all through his long illness. She rarely ever left her home, except on needed errands. The family meals were served at his bedside, and the homelife centered there at all times. His parents and brother Carl also helped to see that he had every comfort possible.

Walter enjoyed talking about fishing and other sports and his friends always saw to it that he was well supplied with trout and wild meat during open seasons. There were many others who tried in other ways to make the hours and days pass just a little quicker by their many kindnesses, and it was easy to be seen that the patient appreciated it all. Another lucky boy has been chosen to attend Wolverine Boys' State at Lansing in June and he is Keith Bowen, son of Mrs. Hazel Bowen. The young man is the choice of Grayling Kiwanis Club and was selected through the High school faculty.

After Grayling Post 106 had made their selection, they found that there was a vacancy in the tenth district for five boys, and so the matter of sending another boy from Grayling was taken up with the Kiwanis club. Keith is the lucky boy and we congratulate him on his having the qualifications to be selected. The expenses of the ten-day period in which the young man will be at Wolverine Boys' State will be assumed by the Kiwanis club. This fine state-wide program is being sponsored by the American Legion Department of Michigan. John Henry Peterson was the choice of Grayling Post 106.

NOTICE TO MOTOR VEHICLE OWNERS

On receipt of information from our Secretary of State, and State Police, in regard to "What Every Driver Must Know," will say: I have received the booklets of the laws "What Every Driver Must Know" and they are available by applying to the Police Department of Grayling, Mich. If you don't know the law, you better get one and see how much you know about driving a motor car. May 1st is your limit.

A Few Hints

Two headlights at all times, 30 minutes after sundown, and one rear light, red and bright, over license plate. Speed, 15 miles per hour in business district and 20 miles per hour in residential districts. No reckless and unsafe driving at any time. So don't blame the law if we have to enforce it. (Come and get a booklet).

Morgan K. Paige,
Chief of Police,
Grayling, Mich.

P. S. Drunken drivers will go to jail.

KIWANIANS ROLLER SKATE

For the regular Kiwanis program Wednesday, the members were invited guests of H. W. Jensen at his Dreamland roller skating rink in Temple theatre. Guests at the luncheon were Dr. Philip Sheets, president of the Traverse City club; Willard Bicknell and Mr. Hampton, both of the Clare club; E. S. Young of the Hillsdale club; Mark Green of the Cheboygan club and Mr. Jennison of Grayling. Gail Clise was taken in as a member of the club.

An important announcement was that the board of directors had passed a resolution to limit the membership of the club to 30, and that all members absent for four consecutive meetings without a reasonable excuse would be deleted. Six members were dropped from the membership of the club, for lack of club interest.

After the luncheon most of the members repaired to the roller rink and soon some of the dignified Kiwanians could be seen cavorting on wheels, some of the "smart" ones kissing the floor on numerous occasions. They had such a good time that it looks as tho there would be a new list of Kiwanis widows who may have to look for the missing swain at the roller rink.

KEITH BOWEN SELECTED BY KIWANIS CLUB

Another lucky boy has been chosen to attend Wolverine Boys' State at Lansing in June and he is Keith Bowen, son of Mrs. Hazel Bowen. The young man is the choice of Grayling Kiwanis Club and was selected through the High school faculty.

After Grayling Post 106 had made their selection, they found that there was a vacancy in the tenth district for five boys, and so the matter of sending another boy from Grayling was taken up with the Kiwanis club.

This fine state-wide program is being sponsored by the American Legion Department of Michigan. John Henry Peterson was the choice of Grayling Post 106.

Diamond Warfare Opens

Baseball enthusiasts here and throughout America are preparing for the 1938 season this week. With the National and American leagues getting under way April 18 and 19, attention is turned to the smaller circuits, all looking forward to record seasons. Earl Averill of the Cleveland Indians is shown here as he appeared at spring training, inset over an aerial photo of huge Wrigley field, home of the popular Chicago Cubs.

Made Plans For Achievement Day

Tuesday afternoon a meeting was held of the chairmen of the various committees selected to make plans for Home Economics Extension Day.

The various chairmen are: Arrangement committee, Mrs. Hurl Deckrow; dinner committee, Mrs. William Heric; exhibit, Mrs. Earl Broadbent; hospitality, Mrs. John Malling; program, Mrs. Nyland Houghton.

The Achievement day exhibit and program will be held on May 5th at Michelson Memorial church. A short morning program will begin at 11:15 and will be followed by luncheon served by the Ladies Aid society of the church.

The afternoon program will feature musical numbers and a demonstration lecture by O. E. Gregg, landscaping specialist of Michigan State College. Full details of the program will appear in next week's issue.

GENERAL REGISTER OF VOTERS

Last week the Avalanche told of the coming re-registration of voters. In this issue there appears an official notice.

To be more explicit this means that everyone in the city of Grayling must, some time after May 1st, and before the second Saturday preceding the official primary election in September, appear in person at the City office and be registered, if he expects to vote.

The state law makes this re-registration mandatory and unless one registers he will be unmistakably denied the right of franchise. The only exception will be because of confining illness or absence from the city.

City Manager Geo. Granger says this re-registration is going to require a lot of time and he hopes that everyone will get in early and see that he is properly enrolled.

Identification cards will be given every registered voter which card will have to be presented at the voting place at each election thereafter before a ballot can be secured. Let's get busy and get our names on the dotted lines just as soon as the city office is ready to accept registrations. The registration will be permanent once it is completed.

Notice, please come prepared to give the following information: Your full name. Birthplace. Natural born or naturalized?

If naturalized, whether by your own papers or by your parents. Date, court, city, state; parents name and age of applicant when naturalized.

Where you last voted.

If refused, reason therefore.

Parents name.

All the above information must be subscribed and sworn to before a notary public, so please be sure it is correct.

Re-registration will take place at the City Office between the hours of 8:30 a. m. to 12:00 m.; 1:00 p. m. to 5:00 p. m. each week day except Saturday afternoon.

All applications must be made in person during the above mentioned hours and days.

This re-registration pertains to the City of Grayling only and not to any of the townships of the county.

TO SPEAK BEFORE KIWANIS ON APRIL 27TH

Carlton F. Sturdy, widely known lecturer and writer on canned food subjects, will be the speaker at the meeting of the Kiwanis club to be held at Shoppenagons Inn on April 27 at noon.

CARLTON F. STURDY

Mr. Sturdy is a representative of the American Can Company and devotes his entire time to speaking on request, before clubs, Chambers of Commerce, adult food classes, high schools, colleges, trade meetings and conventions, buyers, service clubs and other important groups throughout the United States. The story of the great harvests, together with the romantic history and progress of the great food industry, are graphically described in an address which is definitely educational and brightened with interesting fact and humor.

STANDARD OIL DEALERS AT TEND DEALERS' MEETING

The Standard Oil Co. dealers of North Eastern Michigan held a dealers' meeting in Bay City Tuesday evening. At that time representatives of the Company announced sales plans for the coming summer. This organization has just added Quaker State oil to its battery of Stanolind, Polarine and Iso-Vis oils. Particular stress is being made to make Standard stations the leaders in quiet room accommodations—most complete and most sanitary of any group of stations in America. Together with other Standard Oil products—Atlas tires and other accessories, dealers will be able to give their customers "what they want, as they want it and make them want to come back for more." Grayling dealers were well represented at the meeting, including this editor, as a guest.

FUNERAL LARGELY ATTENDED

The funeral of George W. McCullough held Thursday afternoon with services at the home was largely attended. Rev. Edgar Flory officiated and Mrs. Harold Jarmin and Mrs. Roy Milnes beautifully rendered two favorite hymns "What a friend we have in Jesus" and "Beautiful Isle of Somewhere."

Those from out of the city in attendance included Mr. and Mrs. George Land and son Douglas, and Mr. and Mrs. Corridon Porter of Kalamazoo; Mr. and Mrs. Spencer Holst and Mrs. William McCullough and son Charles of Detroit. Mr. McCullough had just arrived in New York on a business trip for his company when the message of his uncle's passing came, and so he was unable to be here for the funeral rites.

ENTERTAIN FOR MISS MARY SCHUMANN

Miss Mary Esther Schumann was honor guest at a very attractive luncheon given by Miss Georgiana Olson and Miss Elizabeth Matson at Shoppenagons Inn Saturday afternoon.

The ten young ladies were seated at a long table centered with a low bowl of spring flowers, on either side of which were pink tapers. The guest of honor found a corsage at her place; shoulder bouquets were at the places of the other guests.

High honor scores for games that followed the luncheon were held by Miss Jayne Keyport and Mrs. Donald Reynolds.

Mrs. Robert Bensinger of Lansing was an out-of-town guest.

What Is A Billion?

If you spent a dollar every minute of every hour of every day since the birth of Christ you would have spent only a little more than a billion dollars. If you placed a billion one dollar bills end to end they would reach 114,416 miles, or more than 4 1/2 times around the world at the equator. If you started out to spend \$100 a minute, it would take 18 years before you went broke. A billion one dollar bills would completely cover 2,930 football fields.

From March 4, 1933 to April 2, 1938, the Federal government alone has spent nearly \$37,000,000,000, according to official figures.

RE-REGISTRATION of VOTERS

City of Grayling

Notice is hereby given that pursuant to Sec. 2818 and following Sections of the Michigan Election Law, all qualified electors within the City of Grayling are required to register with the clerk of said city.

Re-registration shall begin on May 1, 1938, and shall continue until the Second Saturday preceding the next Primary election.

GEO. A. GRANGER,
City Clerk.

Home Economics Extension Notes

Mrs. Frank Serven was the hostess to twelve members of the Home Extension Group 1 last Wednesday afternoon for the final lesson on First Year Home Furnishings. The topic of discussion was "Arrangement of Furniture." This meeting was a busy business session besides the lesson. Officers for the ensuing year were elected. Group officers were all re-elected, the following to retain their respective chairs:

Chairman—Mrs. Dewey Palmer.

Sec.-Treas.—Mrs. Barton Wakeley.

Project Leaders—Mrs. Hurl Deckrow and Mrs. Albert Knobos.

Recreational Leader—Mrs. Frank Serven.

Committees were chosen for the various duties of Achievement Day, which will be May 3.

The lesson was very carefully presented, with demonstrations on the arrangement of furniture, by the leaders, Mrs. Knobos and Mrs. Deckrow.

Various required accomplishments for certificates were turned in to the project leader. Among these accomplishments the making of a rug was the most important.

At the close of the business session the Recreational Leader sponsored a contest, Mrs. Charles Corwin being the winner.

The last social meeting for the year will be held at the home of Mrs. Hurl Deckrow, Wednesday, April 27.

The hostess and selected committee served a very nice lunch. The tables were cleverly decorated in keeping with Easter.

Guests were Mrs. Wm. Christensen and Mrs. J. Valla.

Mrs. Barton Wakeley, Sec.

AERIAL SURVEY OF MICHIGAN COUNTIES

Lansing, April 20.—A cooperative aerial survey of 53 Michigan counties will go forward this year under the sponsorship of the state highway department and the Agricultural Adjustment Administration.

The Federal agency will spend \$120,000 on the project and the highway department \$30,000. The survey will result in new information on land use planning, acreage determination, erosion control, flood control, and highway planning, construction, and maintenance.

Such outstanding speakers as Dr. Kelso of the state society, Miss Sargeant, expert in child behavior, and Dr. R. P. Sheets, medical superintendent of the Traverse City State Hospital, are listed on the program.

One of the features will be a discussion on Friday night of the problems of the delinquent child, after which Dr. Kelso will preside. Saturday morning a special session will be held for school teachers, devoted to their contacts with children.

The meeting is open to all persons in Northern Michigan and there are no charges or registration fees of any sort connected with it. All sessions will be held at the Park Place hotel.

CARD OF THANKS

We wish to thank all our friends and neighbors for their sympathy and kindness during the illness and death of our dear husband and father: also Rev. Flory for his comforting words, and Mrs. Farman and Mrs. Milnes for the beautiful hymns.

Mrs. G. McCullough.

Mr. and Mrs. G. W. Land and Family.

CARD OF THANKS

We extend our sincere appreciation to our neighbors and friends and to the members of the Loyal Order of Moose for their many kindnesses in our recent sorrow, the loss of our husband and father.

Mrs. Rex Chappell,

and Children.

**Winter Favorable
To Trout**

The weatherman, at least up until now, has done well by the trout angler who is only nine days away from the opening of the 1938 season.

Since fall the weather has been favorable to the trout, according to Fred A. Westerman, head of the fish division of the department of conservation. The streams were fairly well insulated by deep snow early in the winter against extreme conditions, such as anchor-ice, which tend to limit the places where trout can winter successfully, Mr. Westerman explains.

"There are many factors to consider but in general the weather appeared to be relatively easy on trout as well as on pan-fish in the lakes," says Mr. Westerman. "However, if high water prevails at the opening of the season it might spoil the catch."

The opening day of the season, established as "the last Saturday in April," falls on April 30 this year, thus leaving those anglers who have strong compunctions about getting out on the stream before May 1 little difference with those who are eager to begin their wading and casting as soon as the law allows.

As voted by the legislature, this year's trout fishermen will be licensed under a new classification. Last year only one type of resident permit was issued, a 50-cent license allowing the purchaser to take all legal species including trout. This year two resident licenses are available. One, the "resident" license costs one dollar and allows the taking of all legal species. A 50-cent "non-resident" license is good for legal species other than brook, rainbow and brown trout. Wives may obtain a 50 cent license free if their husband has one, but no such provision is made for the one-dollar permit.

Another change in the license regulations is reduction of the age limit for fishing without a license. Now all persons over 17 years of age must have a license.

Production of 1939 Plates Starts May 1

Manufacture of 1939 motor vehicle license plates will begin at the State Prison of Southern Michigan, at Jackson, about May 1, immediately after completion of the last of the 1938 half-year plates.

Use of Michigan-made materials in the making of these license plates has increased by about a third because of the replacement of the old windshield "sticker" with metal plates.

The manufacture of 1938 motor vehicle license plates involved 1,245 tons of steel and approximately 10,000 gallons of paint. There were 2,489,600 pairs of plates made for 1938. To handle them required an equal number of envelopes, and 49,792 cartons for shipment from the prison to the branch offices of the Department of State. Plates for 1939 will show black letters and numbers on a buff background.

Case Urges Check of Used Car Buys

Leon D. Case, Secretary of State, cautions all purchasers of used cars to check them against titles accompanying them before completing the transaction. There are instances in no way attributable to the intent dealers, in which stolen cars have come into the possession of innocent buyers. Motor serial numbers and other legal marks of identification, are easily checked against titles, which should correspond exactly.

CCC NEWS**Evaluation of Correspondence Study Service in the CCC Camps**

Correspondence Study Courses play a large part in the daily life of a student in the camps. By taking the studies offered he is inevitably going to make something out of himself and he is also taking advantage of what is being offered him.

These extension courses are offered through the University of Michigan and are offered to all enrollees of the CCC for a very small sum of one dollar enrollment charges and what slight cost there may be for textbooks. But in most cases the textbooks are obtainable from the camp library. When an enrollee completes a course he is given a credit certificate from the University of Michigan and is applicable on a High School diploma anywhere in the Sixth Corps Area.

Students in extension work usually have classes after the evening meal and at present the classes are held in the reading room of the library pending the time when the new Educational building will be completed. Then the enrollees will have class rooms, reading room, dark room, shop and plenty of the best materials to work with.

The Correspondence Study Supervisor, Mr. James E. Betts, has been chosen as being competent enough to fill the position as supervisor over the Extension division in the CCC camp. Mr. Betts handles all of the correspondence work. This offers a very large amount of work and time must be spent wisely so as to get the most out of the study period that the students have to spare from their various other duties around the camp.

Mr. Betts was formerly an enroller of the CCC himself and it may be said that he understands the wants of the enrollees from the ground up. Mr. Betts spent something close to 18 months in one of our main camps, Mt. Reed, the Supervisor of Camp AuSable, is the oldest supervisor on the job and Mr. Betts is the youngest. But by being the youngest doesn't keep the activity rating of his camp down. The rating for Camp Higgins Lake for this reporting period was 14th, which put them in seventh place. Quite an honor considering the age of the supervisor.

These Correspondence Courses are also offered to any civilian in the city of Grayling who will take the time to inquire of Mr. Betts full particulars about the correspondence service.

CRAWFORD AVALANCHE

Birmingham—This city's municipal building is listed on the delinquent tax list containing descriptions of property to be sold at the annual tax sale in May. According to the Auditor General's books, unpaid taxes amounting to \$29 are owed on the property. It is now worth \$260,000. It is believed the amount is a special assessment delinquent from many years back and unknown until now.

Rugged mountains and arid desert land stand in the way as sturdy steel towers carry the high transmission line in a stately march from Boulder Dam to Los Angeles to supply power for the industries, hospitals, homes, and office buildings of the nation's fifth city.

The Boulder High Line road, one of the most difficult and trying highways in the world, follows the transmission line through the tortuous 266 miles of its length, carrying a crew of trained patrolmen in a fleet of 14 Chevrolets on their continuous rounds of inspection.

The Chevrolet patrol cars were especially selected for their performance, their economy, and their ability to stand up under the grinding punishment of extreme road and weather conditions.

The photograph above shows a Chevrolet scout car halted on a summit near the Boulder Dam end of the road, beside one of the 2700 line towers.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

Thursday, April 22, 1915

Thru the efforts of the Board of Trade, Crawford County is to have the services of a county nurse, Miss Mary E. Nielsen began services here today accordingly.

Thru the efforts of Dr. Oscar Palmer the Finnish school, where the study of the English language is taught, has been instituted here. Mr. Palmer, whose inclinations are always for good, and in the interest of our people, has realized for a long time that something should be done in this line, therefore in his unselfish manner, procured a large number of text books, selected with the assistance of similar schools of Hancock, Mich., has engaged a teacher and obtained permission from our Board of Education, which was most willingly granted, to use one of the rooms of the new South Side school, for classes. The first classes were organized last Tuesday evening with an enrollment of about forty persons between the ages of 16 and 35 years. That the large number of Finns in the village are pleased is manifested by their enthusiasm. They feel a deep sense of gratitude toward Dr. Palmer and the people of Grayling generally for this blessing that has come to them, and we all share with them in their appreciation.

Born to Mr. and Mrs. Chas. Mason last Saturday, a daughter, Nemesis Nielsen last week exchanged 19 head of fine young cattle toward the Philip Mosher residence near the school house. Mr. Mosher will continue to reside there.

Tony Nelson, armed with a check for \$2,000 left Grayling Monday for St. Paul, Minn., where he expects to purchase cattle for the R. Hanson cattle ranch.

J. W. Letzkus shipped 11,000 cigars in one shipment to Gaylord last week.

Fred Belmore and family expect to move to Gibbstown, N.J., about May 1st, where the former will be employed in a dynamic factory, which is under the supervision of John Failing, a former Grayling boy.

The Annual Junior Hop was held at the Temple Theatre last Friday evening. The dance hall was tastefully decorated in the class colors of yellow and blue and with green boughs, crepe paper ribbons being arranged in a lattice about the windows and stage. The electric lights were covered with yellow and blue Jack-O'-Lantern shades, making the light of the hall very pretty. In one corner of the room a

pool table was set up where punch was served. The music was furnished by Clark's orchestra. At 12 o'clock a very dainty two course luncheon was served by the young ladies of the Freshman phonetic classes.

Mr. George L. Alexander is spending the week in Detroit and Saginaw.

E. F. Matsen has remodeled his barbershop over the Collens restaurant by having it enlarged, repainted and painted, and has put in a new chair and expected to engage another barber.

Harry DeWaele of the DeWaele & Son grocery has moved his store to the rear of the Commercial Theater, occupying the residence formerly occupied by John Scott, 1011 or Chestnut street.

Rasmus Hanson has been elected one of the directors in the First Methodist and the Bay Council on Sunday, Banks of Bay City.

M. Julian Butz left today for Milwaukee to be the guest of Mr. Sherman until Saturday.

D. M. Shaefer has purchased the former the Goupi and Wilson M. McCullough properties on Cedar street from O. Palmer. He expects to build there this summer.

Mr. Rasmus Hanson is ill with influenza at Saginaw. She is reported to be getting along nicely and expects to return soon. Mr. Hanson returned home from there today.

Miss Zina Smith left last Saturday for a week's visit in Detroit and Ann Arbor.

Mrs. A. Kraus left Tuesday night for Detroit to visit her daughter, Mrs. Samuel Pollack.

Miss Lillie Fischer, who teaches in the primary department of the Johannson schools, spent Sunday at her home here.

Representatives of the DuPont Powder company are in the city. It is expected that ground for the new factory will be broken about May first.

Mr. and Mrs. Ira Johnston and daughter, Irene were guests of Miss Leelah Clark Monday enroute to their home in Vanderbilt from Lovells, where they had been visiting.

The marriage of Miss Blanche Maxson, daughter of W. Maxson, of Lewiston, and Mr. John LaMotte, son of Mr. and Mrs. David LaMotte, of this city, will take place at St. Mary's church Saturday morning, April 24th.

T. E. Lewis of Frederic was in the city Monday. Last week Mr. and Mrs. Lewis returned home

from Florida, where they had spent the winter. They report a delightful outing. Both returned in good health and say that they were glad to get back to Crawford county.

Manager Overton is giving his patrons the latest and best motion pictures just as early as any theatre in the state and many times they are presented here before they are shown in Saginaw and Bay City. He doesn't miss any good things that he thinks his patrons may want.

The evening train known as the "Merchandise" was wrecked Tuesday evening a few miles this side of Rosemorn. Two boxcars were derailed and partly demolished and about a half a mile of track was torn up. How it happened is unknown. Fortunately no one was injured.

Mr. and Mrs. J. W. Overton returned last week from a couple of weeks' stay in Cheboygan, where the former was busy remodeling the Liberty Theatre, of which he is the owner. The theatre is now complete with a new modern front, new opera chairs, new electric lights, electric piano, motor generator and two of the very latest picture machines.

Andy Hart is driving his Ford car. Being unable to use his feet, this has been arranged with a special set of hand levers to be used instead of foot pedals. Andy says that he made two trips to Frederic alone and has had no trouble in operating the machine.

Word has been received here of the arrival of a ten-pound boy at the home of Mr. and Mrs. Samuel Pollack in Detroit. Mrs. Pollack was formerly Miss Esther Kraus of this city.

Born to Mr. and Mrs. George Sorenson Sunday, April 18th, a fine baby boy.

P. G. Zalsman returned home yesterday from Holland, where he went to attend the funeral of his mother.

Jeff Fogelsonger of Flint is spending a couple of weeks here visiting his parents and friends.

Mrs. E. S. Houghton and children, who spent a week in Chino and West Branch, have returned home.

M. A. Bates made a business trip to Detroit the first of the week and while there visited his daughter, Mrs. Benjamin Jerome and family.

The Messrs. Louie Joseph, Harry Connine and Lotte Douglas returned to the U. of M. on Monday after a week's vacation at their homes.

Mrs. N. P. Olson is a proud possessor of a new Apperson car that she purchased of T. E. Douglass of Lovells. This is the largest model of this make of auto that is owned in this county and is a beauty.

D. Countryman and family will move to Big Rapids soon, where they will conduct a rooming house. L. C. Failing of Beaver Creek has contracted to care for the county infirmary and will move in as soon as Mr. Countryman may vacate.

Rev. Owen, who has been in the west for the past four years, has returned and expects to remain for a time. He left for Lovells this morning to visit his father, Geo. F. Owens, after spending several days with his sister, Mrs. H. C. Schmidt and brother, Glen Owen and families.

He has been located at Smartsville, Calif. His many friends are glad to welcome him back.

Axel Kjolhede, son of Rev. Kjolhede of this city, arrived Thursday from Newell, Iowa, accompanied by his bride-elect, Miss Matilda Christenson, also from Newell, Iowa, and they were quietly married at the Danish-Lutheran church by Rev. Kjolhede, Friday.

Mrs. Rolla W. Brink returned home from Saginaw Tuesday and is busy packing up their household goods preparatory to moving to that city. Mr. Brink is now a traveling salesman for the Bay City grocery company.

Earl Dawson is a new night clerk at Collen's restaurant.

Oscar Hanson and Alonzo Collen received new Buick autos last week.

Rev. Kjolhede will leave for Ludington this week to attend the Kredsmode, a meeting of all the ministers of the various churches held semi-annually and regularly at different towns and cities in the district. A young man who has been studying for the ministry will be ordained at this meeting.

The chickencoop of J. M. Bunting was entered by chicken thieves Sunday night and seven of his flock of thoroughbred Plymouth rocks were taken. Five chickens were taken from the Neil Michelson barns near their home Friday night and were traced to the back of the Dowel factory, where they had been cleaned. The thieves are unknown.

Dan Moshier reported a rattlesnake killed by him Monday, measuring three feet and five

inches. This was at his cattle ranch down the river.

Peter Peterson left Tuesday afternoon for Bay City to visit his little daughter Marjorie, who makes her home with an aunt, Mrs. N. Platt.

A. B. Failing and daughter Francie returned home Tuesday from Dayton, O., after spending a couple of weeks visiting A. H. Wetzel and family.

What Is Golf?

Golf is a form of work made expensive enough for a man to enjoy it. It is a physical and mental exertion made attractive by the fact that you have to dress for it in a \$200.00 clubhouse.

Golf is what letter-carrying, ditch-digging and carpet-beating would be if those three tasks had to be performed on the same hot afternoon, in short pants and colored socks, by gouty-looking gentlemen who require a different implement for every mood.

Golf is the simplest looking game in the world when you decide to take it up, and the toughest after you have been at it ten or twenty years.

It is probably the only game known a man can play, as long as a quarter of a century and then discover that it was too deep for him in the first place.

The game is played on carefully selected grass with little white balls and as many clubs as the player can afford. These little balls cost from 75¢ to \$25.00, and it is possible to support a family of ten people (all adults) for five months on the money represented by the balls lost by some golfers in a single afternoon.

A golf course has eighteen holes, seventeen of which are unnecessary and put in to make the game harder. A "hole" is a tin cup in the center of a "green." A "green" is a small parcel of grass costing about \$1.98 a blade and usually located between a brook and a couple of apple trees, or a lot of "unfinished excavation."

The idea is to get the golf ball from a given point into each of the eighteen cups in the fewest strokes and the greatest number of words.

The ball must not be thrown, pushed or carried. It must be propelled by about \$200.00 worth of curious looking implements, especially designed to provoke the owner.

Each implement has a specific

purpose and ultimately some golfers get to know what that purpose is. They are the exceptions.

After each hole has been completed the golfer counts his strokes. Then he subtracts six and says, "Made that in five. That's one above par. Shall we play for fifty cents on the next hole too, Ed?"

After the final, or eighteenth hole, the golfer adds up his score and stops when he has reached eighty-seven. He then has a swim, a pint of gin, sings "Sweet Adeline" with six or eight other lads, and calls it an end of a perfect day.—Parker Inn, Albion.

Saint Bernard Dogs

Saint Bernard dogs have rendered great service to man, especially in the Swiss Alps. These dogs, trained and developed by the monks of Saint Bernard monastery to search with restoratives to their necks for lost and helpless victims of bad snow storms, seldom fail. They even sense the presence of persons under several feet of snow.

The Clare Sentinel just moved into a new location and sent out invitations to editors and others to be their guest on visiting day—April 19th. The Sentinel carries more advertising than 99% of the community newspapers of Michigan.

The new building Mrs. Henry Stephan, Sr., has had built on her recently-acquired property, the former Wells' property, is a nice three-car garage with cement block foundation. We were misinformed when we said it was a chicken coop.

Arthur Lovely, son of Mr. and Mrs. Dennis Lovely, was injured in the school yard, Thursday, when he ran into the way of children who were swinging on the swings. The boy was knocked unconscious, and it was necessary to keep him in bed for several days.

Dr. C. R. Keyport attended a meeting of delegates to the National convention of the State Medical society to be held in California this summer, at Lansing Thursday and Friday. Mrs. Keyport and Miss Jayne Keyport accompanied him to Lansing and then drove to Detroit for a day visit.

O, Boy! Mr. and Mrs. Oscar P. Schumann are receiving congratulations over the advent of a grandson, born Friday to their daughter Helen and husband, Mr. and Mrs. Oscar E. Wilkinsen of Burbank, Calif. The happy mother and son are due to arrive in Grayling last of next week to visit the happy grandparents.

Mrs. Fannie Larson Martin, age 69, passed away Sunday, April 10 at her home in Flint. Funeral services were held Wednesday, April 13, with Rev. George Tripp officiating. Surviving are one brother, Timothy Webb, of Flint, two nephews, Thomas and Nelson Webb of Pontiac. The Webb family were former Crawford county residents.

John Bruun had several guests here last week Thursday—J. F. Murphy, Fred Weissinger, Arnold Haight and James Bird, all of Lansing. These gentlemen are starting the construction of a club house on the Manistee river, about a half mile north of the Manistee river bridge on M 76. While here they enjoyed, together with about 20 local men, a smelt at the Pine Ridge Lodge.

In the last edition of the Avalanche it was reported that Don Reynolds had purchased a partnership in a business in Mt. Pleasant and was leaving for that City Friday morning. Mr. Reynolds' plans have been changed—we have learned, and he will operate an electric appliance agency locally, selling washers, refrigerators, radios, and other household devices. He will use his residence for a place of business.

Easter Sunday was a most significant day for Mrs. Earl Dawson for she celebrated her birthday anniversary and became the proud grandmother of her first grandchild. The newcomer was Robert Gary, weight 8 pounds, born to Mr. and Mrs. Norman Dawson (Matilda Engel), and the event made Hans Petersen happy also for that is his first great grandchild. We can't quite figure out who is the most tickled, the parents, the grandparents or the great grandfather.

Grayling American Legion Drum and Bugle corps, as a courtesy to Tracy-Skocelis Post of Roscommon, went to that place Monday night and paraded, helping them to get a crowd out to a benefit dance they were giving. The dance was held at the Lyric, where the fellows went later and played a few selections and spent the evening. There was a nice crowd turned out for the party. Roscommon Post has had a new building donated to them and they were giving the party to raise funds towards a repairing fund.

Alfred Hanson has taken over the dealership for Frigidaire refrigerators. This being a General Motors Co. product Mr. Hanson says he had been trying for a long time to get the agency. It was formerly handled by Don Reynolds. See the Frigidaire advertisement on the last page of this issue of the Avalanche.

Members of the Highland Park Congregational church where several former Grayling people worship no doubt enjoyed the production Sunday evening, when a story of the Resurrection "The Son of Man" written and directed by the pastor, the Rev. Ralph P. Claggett, was presented. Rev. Claggett was a former Grayling boy.

Chris Hoesli and Ernest Borchers, who conduct a Canoe livery, providing canoes and guides for river trips, are building a canoe house on the bank of the AuSable river near the State street bridge. The building will be 22 by 36 feet, the foundation for which is completed ready for the upright. It will hold 32 canoes. They expect to landscape the land surrounding it, making it one of the beauty spots along the river.

Several members of Grayling Post 108 American Legion and of Roscommon Post attended the funeral of a brother comrade, Howard Nolan, Thursday afternoon at Michelson Memorial church, and joined in the cortège to Elmwood cemetery. Mr. Nolan was 45 years old and leaves his widow, who was formerly Pearl Love, and two children. The family reside on a farm near Standish and the remains were brought here for interment. Rev. Hunter of Roscommon officiated at the service.

Health Institute

Huge Success

TWELVE COUNTIES REPRESENTED AT FINE PROGRAM

One of the largest health meetings that has been held in Grayling in some time was the Child Health Institute, that was held at Michelson Memorial church all day Wednesday. When the meeting was first talked of it was to take in four nearby counties, but it turned out to be much larger, with twelve or more counties represented.

Crawford County Unit made all the arrangements and to them much of the credit is due for the fine program that was presented and in their succeeding in getting such a huge crowd out.

There were representatives from Crawford, Missaukee, Kalkaska, Roscommon, Cheboygan, Otsego, Iosco, Ogemaw, Charlevoix, Isabella, Grand Traverse, and other counties, with ten visiting county nurses.

When it came time for the noon-day luncheon, which was put on by the Woman's Home Missionary society the crowd was so large that many more tables had to be placed and many people had to go to the downtown restaurants.

Miss Edna Hamilton, director of nursing of the Children's Fund of Michigan, gave her lecture at the luncheon. Dr. C. R. Keyport, Dr. John L. LeVan of Grand Rapids, and Dr. R. P. Shultz of Traverse City were also on the program, that was interspersed with musical numbers.

The purpose of the health programs is to promote health, happiness and well-being of the child and the various units are doing a big job and very worthy work.

Grayling Unit served tea complimentary to the large crowd late in the afternoon.

RANDOM THOUGHTS

Grayling Hatchery

Next time you are in Grayling, and have a half hour or so to spare, drop in on Hans Peterson, who is in charge of the Grayling State Fish Hatchery, and have him show you those millions of trout fry now in the troughs. They will be there for a good while longer and are a sight well worth seeing.

Hans says there are now about 1,500,000 of the tiny fish in the troughs, about half brown trout and half brook trout. The tiny fish wriggle about in the white troughs much like tadpoles. They congregate near the ends of the troughs, where the water comes in, in dense masses. Evidently they obey some strange instinct when they do this. Always they nose their way in the direction from which the water flows.

Later this spring, Hans expects to have about 1,000,000 rainbow eggs hatching. These he takes from the 18,000 adult rainbow which are held at the hatchery when are used as finger stock at the hatchery. The great rainbows are not a bit hard to look at either. In addition to great rainbows, there are some smaller fingerlings, both rainbows and browns, in the ponds. These are being carried over from last summer and now average about six inches long. They do not feed heavily in the winter time, but will begin to show away plenty of beef meat and dog biscuits when Hans prepares them for release. When they are released in July, about 60 per cent of them will be legal length trout.

If you have ever been at the Grayling Fish Hatchery in recent years, you will be surprised at the fine new colonial-type building which has been erected with the help of WPA funds. The interior has the museum on the ground floor. This is not completed and "eventually" it is planned to open the people into the building in. For Right now there is an extensive exhibit of "peaked" fish, representing all species native to Michigan, and some which are found in salt water.

Maple Forest

Mr. and Mrs. Arthur Howe and two children, and Mr. Earl Lundquist Saturday Spandish visiting Mrs. Howe's father, David Ervin.

Miss Winifred Hamblin, past Easter at the Pastime Inn. Also Mr. and Mrs. Arthur Howe and family and Mr. and Mrs. Earl Howe.

Mr. and Mrs. Stanley Larson, wife and daughter, visited relatives in Maple Forest Sunday.

Nancy Olson and Marion Jewel were Gaylord callers Thursday.

The Board of Supervisors are in session this week.

Mrs. Dizz Babbitt and children spent Easter visiting her father at LeRoy, Mich.

Mrs. Anna Richter and children spent the Easter holidays in Bay City, Saginaw, and Flint.

Mr. and Mrs. Henry Stephan, Jr., and children spent Sunday at the J. W. Smith home.

The Maple Forest Unit of the Home Economics Extension club met at the home of Mrs. Anna Richter on April 14. This was a lesson meeting, the lesson being "Rearranging Furniture."

This is the last lesson this year. The lesson was given by the leaders, Emma Howse, and Martha Petersen.

Twelve members and seven guests were present and at noon, a delicious lunch was served.

Officers were elected for the following year as follows:

Chairman Pearl Babbitt.

Leaders—Emma Howse, and Martha Petersen.

Secy-Treas—Bernice Winston.

Recreation Leader—Hattie Woodburn.

The next meeting will be held at the home of Nona Plagens, on April 28.

The Twelve Caesars

The 12 Caesars were Julius Caesar and the 11 emperors following him, most of whom were from his family. Nerva was chosen by the senate, and was the first to select a successor without regard to family. Following are the names and dates of the reigns of the 12: Julius Caesar, 44 B. C.; Augustus, 31 B. C. to 14 A. D.; Tiberius, 14 to 37; Caligula, 37 to 41; Claudius, 41 to 54; Nero, 54 to 68; Galba, 68 to 69; Otho, 69; Vitellius, 69; Vespasian, 69 to 79; Titus, 79 to 81; Domitian, 81 to 96. The title Caesar was given to all of the Roman emperors until the time of Hadrian, after whom Caesar was the title of the heir of the throne, and the title of the emperor was Augustus.

Home Extension

Home Extension Group II held their last business meeting for the year Tuesday evening, April 12 at Mrs. Frank Roads' home. All members were present.

The topic of the lesson was "Arranging Furniture."

Gasoline Taxes

Taxes are high enough, according to the governor, and yet additional money must be obtained in some manner to solve the present crisis.

First as a revenue-getter is the sales tax. Last year it raised over \$34,000,000.

Second is the gasoline tax paid by motorists and truck and bus companies for building and maintaining highways. This includes such costs as snow removal, sanding icy roads, and chemical treatment to lay the dust.

The gasoline tax is particularly profitable in Michigan because so many tourists visit us from other states. A sizeable part of the \$130,000,000 tourist income last year was paid by outstate visitors in the form of little gasoline.

Experience of other state has also shown that unemployment compensation, whereby temporary "stop gap" aid is given to a worker when he becomes unemployed, has proved wholly inadequate to meet present living costs.

Men on WPA projects have been encouraged by CIO leaders to believe that collective bargaining with the government would benefit their lot—fewer hours and more wages—all through the payment of CIO dues.

To say that the present situation is bewildering and confusing is to put it mildly.

Perhaps you have a better name for it.

Tax Diversion?

The third major source of revenue is the automobile weight tax, after paid by the motorist. This income exceeded \$19,500,000 during the past fiscal year.

Here are two financial wells that had a combined flow of \$47,000,000.

In the quest for additional relief money it is inevitable that somebody at some time will rise to suggest: "Why not divert some

ways for future development at Flint for a "debt moratorium." Entertaining civic leaders see in Auditor General George Gunther a hope for expansion of homes were involved in the tax territory.

He said, he said.

Starri's logic, however, is coldly irrefutable. Property owners will have 12 months to redeem property sold for non-payment of taxes.

Unless all signs fail, the tax sale will be held as authorized.

WHITHER MEXICO?

Is returning Cedillo a fascist threat to Mexico's socialistic government? What about Japan's designs on the west coast of that nation? What changes have been brought about by the expropriation of the oil industry? S. L. A. Marshall is now sending day-to-day dispatches on conditions in that country. Read them every day in The Detroit News.
